

8700DY Daytona Chair

The sleek styling and finely detailed specifications make our 8700DY dental chair a true front-runner in the industry. The newly upgraded 8700DY dental chair is built for durability, constructed with a steel base and back and a reinforced steel seat frame. With a quiet and smooth hydraulic operation, the chair is comfortable, easy to use, and virtually maintenance-free.

FEATURES:

- Hydraulic Power Base and Back
- 60° Swivel Seat Base
- Mobile Foot Control
- Auto-exit and Last Position
- Four Programmable Pre-positions
- Double Articulating Headrest
- Optional Touchpads Available
- Equipped with WI-FI and USB for easy remote diagnostics
